## WHY ARE WE FOCUSING ON SCRIPTURAL ENGAGEMENT?

As I was seeking the Lord about the next sermon series, I came across the research of two pastors who wanted to know how to strengthen the Body of Christ. They did research that included 1000 churches and they came to this conclusion:

**Nothing has a greater impact on spiritual growth than reflection on Scripture.**

If churches do only one thing to help people at all levels of spiritual maturity grow in their relationship with Christ, the choice is clear. They would inspire, encourage, and equip their people to read the Bible — specifically, to reflect on Scripture for meaning in their lives.

The Bible's power to advance spiritual growth is unrivaled by anything else we've discovered.
