

A paved path leads into a forest. Sunlight rays stream down from the top left corner, illuminating the path and the surrounding greenery. The path is dark and textured, leading the eye into the distance. The forest is lush with green trees and grass. The overall mood is peaceful and hopeful.

Walking in the Light

A lit candle in a brass holder, casting a warm glow against a dark background. The candle is tall and slender, with a bright flame at the top. The holder is ornate and reflective. The background is dark, making the light from the candle stand out.

*For you have delivered me
from death and my feet from
stumbling, that I may walk
before God in the light of life.*

Psalms 56:13

A lit candle in a brass holder, with light rays emanating from the flame, set against a dark background.

*God speaks of future events
with as much certainty
as though they
were already past.*

Crystal Doubler

Martin Luther King Jr.

*“Darkness cannot
drive out darkness;
only light can do that.*

*Hate cannot
drive out hate;
only love can do that.”*

A lit candle in a brass holder, with light rays emanating from the flame, set against a dark background.

It is since Christians have largely ceased to think of the other world that they have become so ineffective in this. Aim at heaven and you will get earth thrown in; aim at earth and you will get neither.
