Why is hope essential?

Hope is essential for us because we are made in the image of God – Father, Son and Holy Spirit, who continuously love and serve one another. We can lose our desire to live if we falsely believe that we have no hope of loving or serving.

Sources of hope

Scriptures – from the God of Hope

Holy Spirit – seek to be filled with the Holy Spirit

Love – Christ's love

Gratitude – train yourself to give thanks daily

Serve Others - as Christ has served you

People need hope

But in your hearts set apart Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect,

(1 Pet 3:15)
